ADVANCED SUPERVISORY LEADERSHIP

Instructor Paul M. Whisenand, Ph.D., is a published authority on the application of strength-based leadership techniques and principles. This course provides a focused and comprehensive approach to the topic including practical take-away tools for application in the workplace. Highly interactive exercises require the active involvement of the entire class. Each student will receive an individual analysis of their unique "strengths delivery style" by means of two powerful awareness scales, the LIFO and FIRO-B, which provide a thorough understanding of individual leadership strengths and how best to apply them.
