SOLVING POLICE PERSONNEL ISSUES (LEGISLATIVE UPDATE & LEGAL TOOLS)

This one- day course is designed for law enforcement managers who need to stay current on the case law and trends affecting their ability to manage both sworn and civilian personnel. Upon completion of the course, the student will have a full understanding of the current personnel issues facing California law enforcement agencies and the practices that can help minimize liability to the manager and the agency. Emphasis will be placed on managing an intergenerational workforce. Issues covered will include:

- Legal methods for rating, training, and discipline of sworn and civilian personnel.
- Update and practical implementation methods for AB 301 (Public Safety Officers' Procedural Bill of Rights.)
- Supervisorial responsibility for discrimination/harassment/retaliation in the workplace.
- Current work-related trends including social media/texting/e-mailing
- How to manage sick and injured employees
